## Penguin Play Awards: The Results! [Plus NEW Reviewed By YOU]

MARCH 30, 2010

by ηαѕƒαя

Hey guys.

To start off this post, I'd like to say that there is a Brand New Club Penguin Reviewed By YOU out at [community.clubpenguin.com](http://community.clubpenguin.com) . Here is what the post looked like:

*Hello Penguins!*

*We've heard from lots of you about how much fun you've had at the Penguin Play Awards – and many of you said you'd had your own award parties at home! Last week we asked about the best party you've created and **Sparklydo** said:*

***The best party I have ever had was a camping site right in my igloo! You could steer a ship in the ocean,be on a deserted island,But did I mention the ocean was full of sharks?You could even get lost in the woods.There was lots more,but me and my buddies all had tons of fun! Waddle on Club Penguin!***

The April Fool's party kicks off tomorrow, and we hope you and your friends find all the surprises around island. This week we'd like to know about a time when you and your buddies went exploring. What did you find?

Write your Reviewed By You answer as a comment. We'll post one (50 - 75 words please) in next week's Reviewed By You. And if your comment is chosen as the feature comment on next week's blog, we'll add 10,000 coins to your penguin account. Don't forget to use your penguin name so we can add coins!

Until then...Waddle on!

Nice, eh? Now for the cool stuff. Sorry for the late posting, but the Golden Puffle stage play pwned all the other stages except in just 1 category (costumes). Take a look:

Since the Golden Puffle play won most of the PP awards, it is now at the stage!

# New Clubpenguin Updates

MARCH 26, 2010

by ηαs¢αя

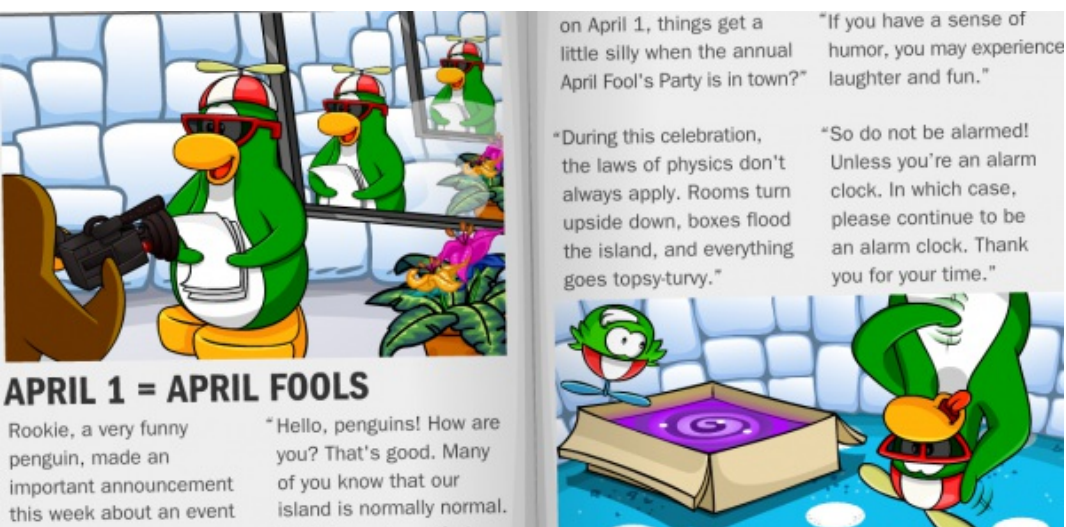

Hello there! Now that we have recently started up our blog again, the site will be under mandatory updates. Please be patient; we promise to still keep up the posting though!!!

I am going to cover what happened around Clubpenguin on Today (friday) and Yesterday (thursday).

🌟 There are 3 new igloo tracks for members, but since I am no longer a member, I couldn't get a screenshot of them.

There is also a new Newspaper on Clubpenguin!

The main article is about Penguin Play Awards, but I thought the real cool news was the upcoming party — April Fools Party (no, it's not a April Fools joke on you either =P )!

CP also said that the underground rooms are no longer temporary, they're here to stay!

Here are the events pages-

**STARTING APRIL 1**

**April Fool's Party**

The silliness starts  
all over the island.

**STARTING APRIL 1**

**Penguin Style**

Your best look yet.

Buy the latest items  
from the Gift Shop.

**FIND THE COLLECTIBLE PIN!**

**Hidden now until: March 25**

Next pin hidden: March 26–April 8

**STARTING MARCH 26**

**New Igloo Music**

Get new music for  
your jukebox or stereo  
from your igloo.

**STARTING MARCH 30**

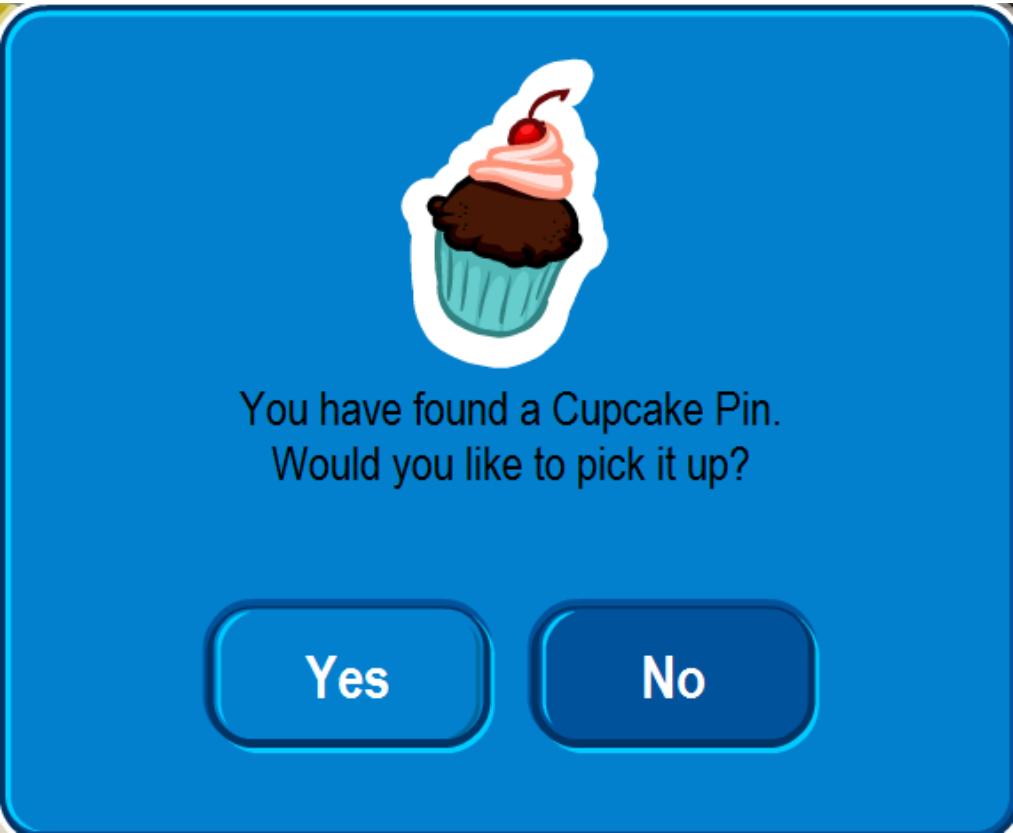

**Winner of Best Play  
on at the Stage!**

- 1. Open your map.
- 2. Go to the Ski Village.
- 3. Go into the Sport Shop.
- 4. Click on the pin.
- 5. Hit "Yes"

Check out what it looks like when its enlarged (HIT YES):

I think Clubpenguin did awesome.. kinda. Comment with your thoughts and opinions!

## Final Post

AUGUST 27, 2009

by 381nascarpingpong37

Hello visitors, we are having just one final post. We weren't getting enough views, so we are shutting down. No one played on our Comment Luck game. The numbers were 31 and 16. Well, I do have some good news. My blog may start up again! That's right, I am looking at starting a blog! I really can't decide whether to do a WordPress or a Blogger. I'm still leaning toward WordPress. Well, bye for now! I will make a post when I get my site underway!

## We are switching!

AUGUST 6, 2009

by ηαѕ¢αя

Hey guys we are going to switch our website (blog) to a **Club Penguin Sweepstakes** site. I will still probably post about news though. I officially got rid of posting Club Penguin Times. It sucked anyway 😞. Well, **major** construction will be happening on our web site, so be prepared and keep viewing! (For those of you who thought we were shutting down 'till September, we changed our mind, we are still up-and-running)

## Newspaper #198- Sorry for Late Post [NEW PIN]

JULY 31, 2009

by ηαѕ¢αя

Hey guys its nascar here. Sorry for not posting newspaper yesterday, I was super busy and I only had time in the morning when the new newspaper hadn't even come. But anyway, I'll cover it now.

It is your "Last Chance" to turn in your fairy thingy's;

I found a piece of helpful information in the classified section;

Shop owners have confirmed that all items,  
except for pins and Anniversary Party hats,  
will make a comeback at some point in time.

And now for the Events;

A promotional graphic for an event. It features two penguin characters: one is purple with pink spots, and the other is blue with purple spots. They are both wearing large, grey, cone-shaped hats. The text "AUGUST 7" is in large, bold, white, sans-serif capital letters, followed by "PENGUIN COLOR ANNOUNCED" in smaller, bold, white, sans-serif capital letters. Below the penguins, the text "Buy the new color from Penguin Style!" is written in white, sans-serif font. The background is a dark purple gradient.

---

A promotional graphic for a catalog. It features a yellow square with a white border containing a stylized illustration of a newspaper or catalog. To the right of the square, the text "AUGUST 7 - SEPT 4" is in large, bold, black, sans-serif capital letters, followed by "NEW PENGUIN STYLE CATALOG" in smaller, bold, black, sans-serif capital letters. Below this, the text "Get the latest look from the Gift Shop!" is written in a smaller, black, sans-serif font.

Gary needs our help...

A promotional graphic for an event. It features a blue penguin character with a white shirt and a red tie, looking surprised or excited. The text "AUGUST 14 - 18" is in large, bold, white, sans-serif capital letters, followed by "GARY NEEDS YOUR HELP!" in smaller, bold, white, sans-serif capital letters. The background is a dark blue gradient with a faint illustration of a hot air balloon and a building.

Lastly the new pin is in the Coffee Shop; (I “Focal Softend” the picture to point out hte pin)

That’s it! See-ya for now!

## MUSIC JAM IS HERE!!!!!!! [NEW PIN] [FURNITURE CATALOG AMAZING TOO]

JULY 17, 2009

by 381nascarpingpong37

## MUSIC JAM IS HERE AND IT IS ONE WORD.... AMAZING!!!!!!!!!!!!!!!!!!!!!!

Hey guys, 381nascar here! Music Jam is here. And it is the best party of 2009 period. If you don't believe me, go play **CP** and find out yourself. I will also be putting the new pin + New Furniture in this post. You can buy a theatre igloo in the igloo upgrades catalog but I won't be putting a picture of that. The best room is CLEARLY the Coffee Shop, no doubt. Check it out;

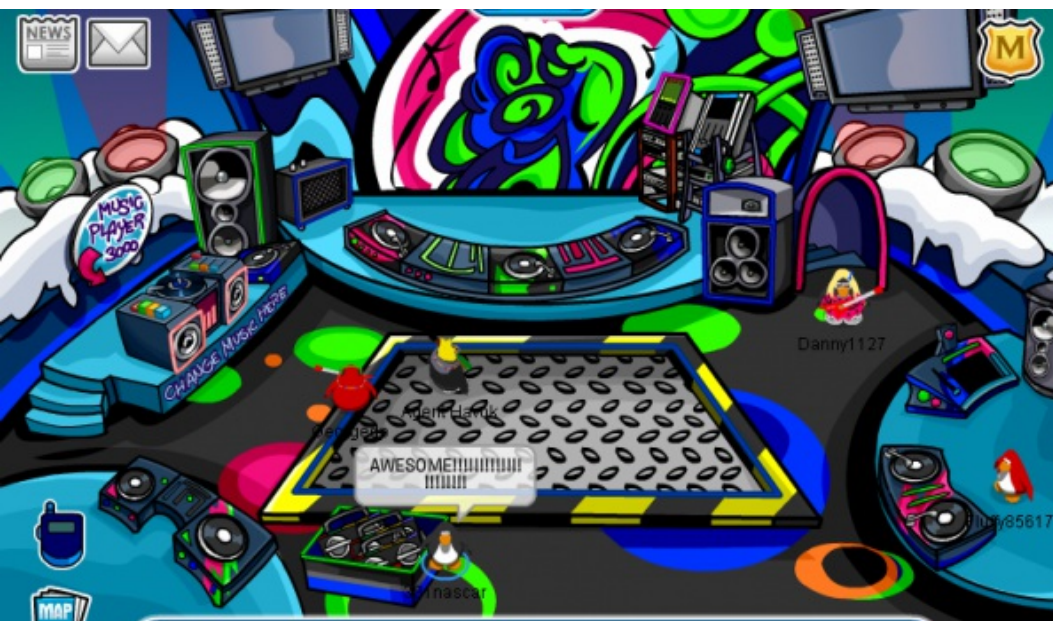

Also, there is a catalog in the snow forts. It sells T-Shirts and the "Member Pass"

Now with the all-access pass members can go in a room similar to what was at the Member Party in January, I think. The Boombox came back as a free item but the famous “This item is currently unavailable” signature move came up.

Now for other notable rooms. The Town;

Night Club;

Snow Forts again;

The Cove where you can get free headphones that ARE AVAILABLE.

And the Lighthouse, designed for the Red Puffle;

**MJ Lighthouse**

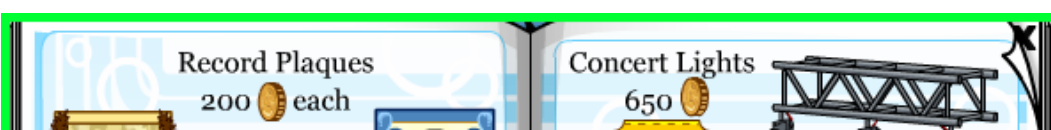

Soccer Pitch;

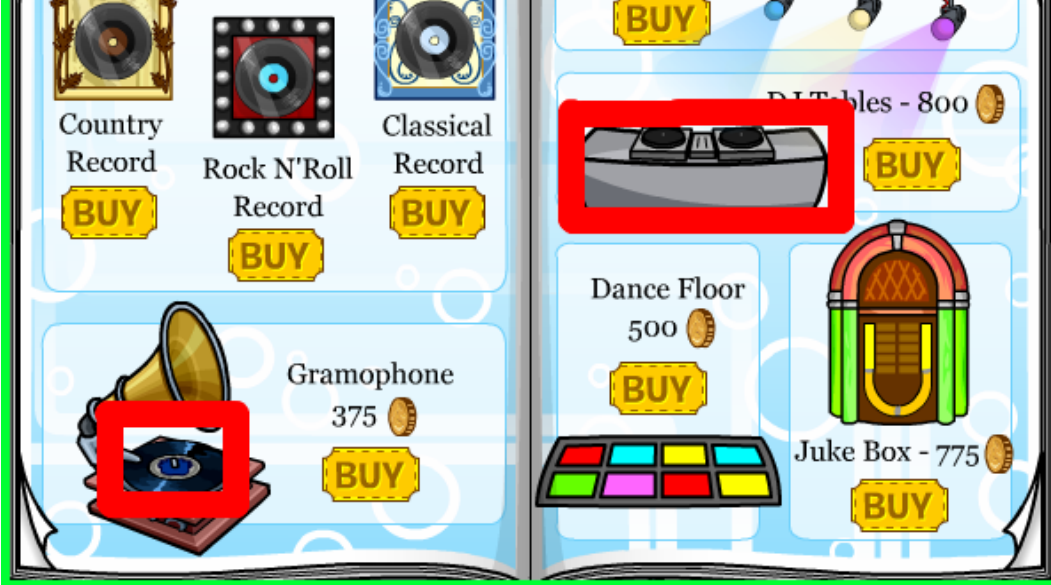

Other rooms I didn't take a pic of are the Ski Village, Ice Berg, Forest, Ski Mountain, etc. Now for the NEW FURNITURE! I like it. Here is the cover;

First Page;

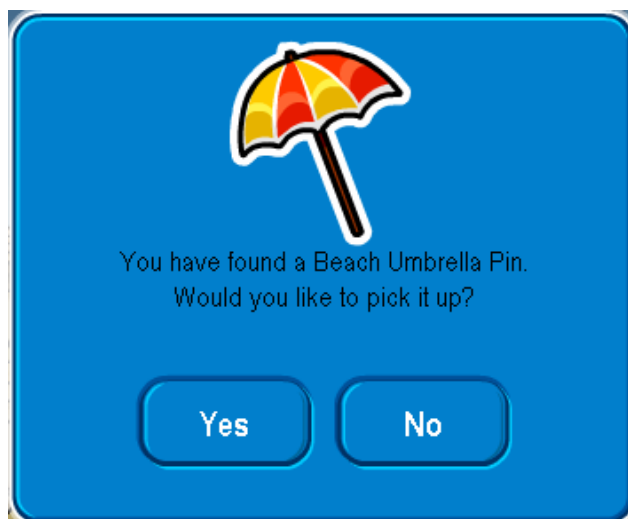

(They bring back many things, like the Jukebox) Now for page one Cheats;

The summer pin we voted for came. The umbrella is in the Boiler Room!

That's it! Try to find penguin band or candence! See ya, ~381nascar~

**P.S.** I think Music Jam is 10/10 stars and the furniture is 8/10 stars. I will try to get Pingpong37's rating too.

# Newspaper #196- ONE DAY AWAY!

JULY 16, 2009

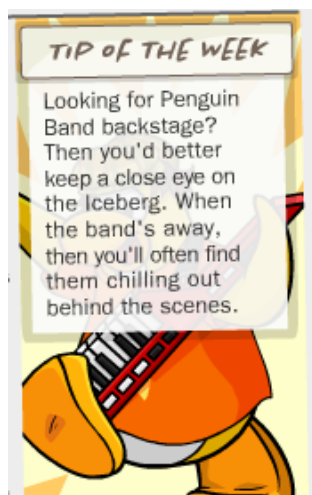

Hey guys! 381nascar here. To start off, I would like to tell you that you are welcome to come to my B-day party on cp! For the info, **click here**. Though you probably already know, Music Jam is tomorrow. But in this weeks newspaper there was another suprise! A new color is coming out! Anyway, sometimes it seems like CP thought we didnt know Music Jam was coming;

There was also an interesting page that showed where all the "Main Events" would be.

I didn't get a picture of the other 2 rooms. There was a tip that was actually helpful for once;

Now for the events. We will be voting for a color. (I already told you that) I personally will be voting for **Maroon**.

And an ad for a Music Jam catalog! ;

That's it! I will post new igloo catalog items + Music Jam pics tomorrow!

Hey, 381nascar typing. There are some evidence of Music Jam coming in may places:

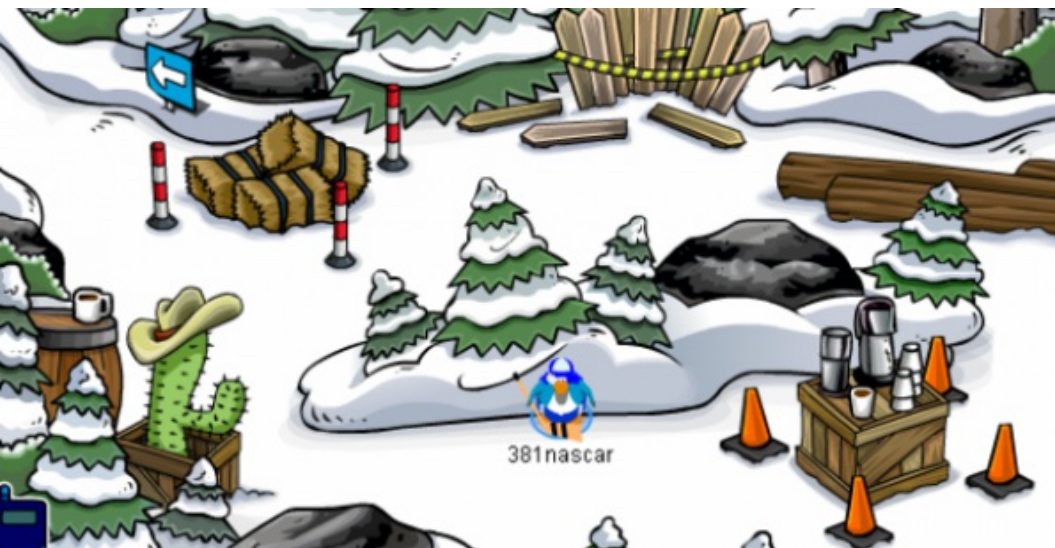

The Ski Village;

Snow Forts;

Forest;

Lastly the Dock has a whole stage thingy goin' ;

Now, one of the most creative plays, (in my opinion) has come back to the stage! Welcome **Ruby and the Ruby!**

Here are some of the items you can buy ( no cheats in these items ) ;

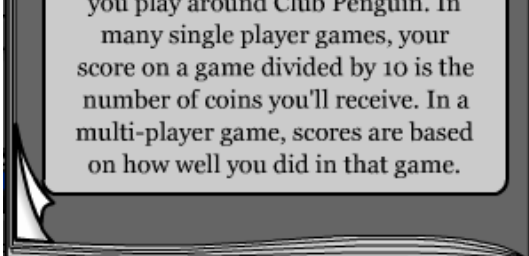

Now for the **Cheats!** First, click on all these items to get a special **Ruby** pin.

On the back of the catalog slide the "How do I get coins?" thing down to get a Noir Background!

That's it! I just can't wait for Music Jam! Can you? ~381nascar~

Hi, 381nascar here! There is a new newspaper out today. And a certain picture makes me wonder what Aunt Artic is really doing these days...

Pretty weird, huh. But this next 101 Days of Fun picture must blow your mind. DISNEY IS ALWAYS TALKING ABOUT TOURS, why would they put it related to 101 Days of Fun!

Don't Forget! Sensei comes to the Ninja Hideout tomorrow! Other events;

**TRAIN WITH SENSEI**  
July 3 – July 5

Practice Card-Jitsu in the Dojo with the ninja expert!

**PENGUIN STYLE**  
July 3 – August 6

Get ready for festival fashion with the latest looks.

**RUBY AND THE RUBY**  
July 10 – August 13

Star in the mystery play at the Stage!

**FIND THE COLLECTIBLE PIN!**

**Hidden Now Until: July 2**  
Next Pin Hidden: July 3 – July 16

# DJ3K UPGRADES ARE HERE!!!

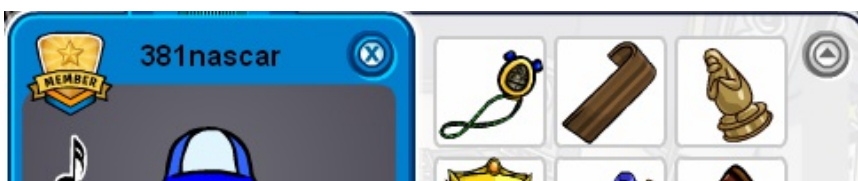

JUNE 26, 2009

by 381nascarpingpong37

Hey, 381nascar here. Even though they did come late, they came! DJ3K now has it's own catalog! Take a look:

You can waddle around with the CD's too! They are hand items!

I think Disney did a good job. Once you say "Yes" to "Do you want to play DJ3K?" this new page comes up:

Most of the things you click on in the game make the same noise. I have highlighted the buttons that make a new noise;

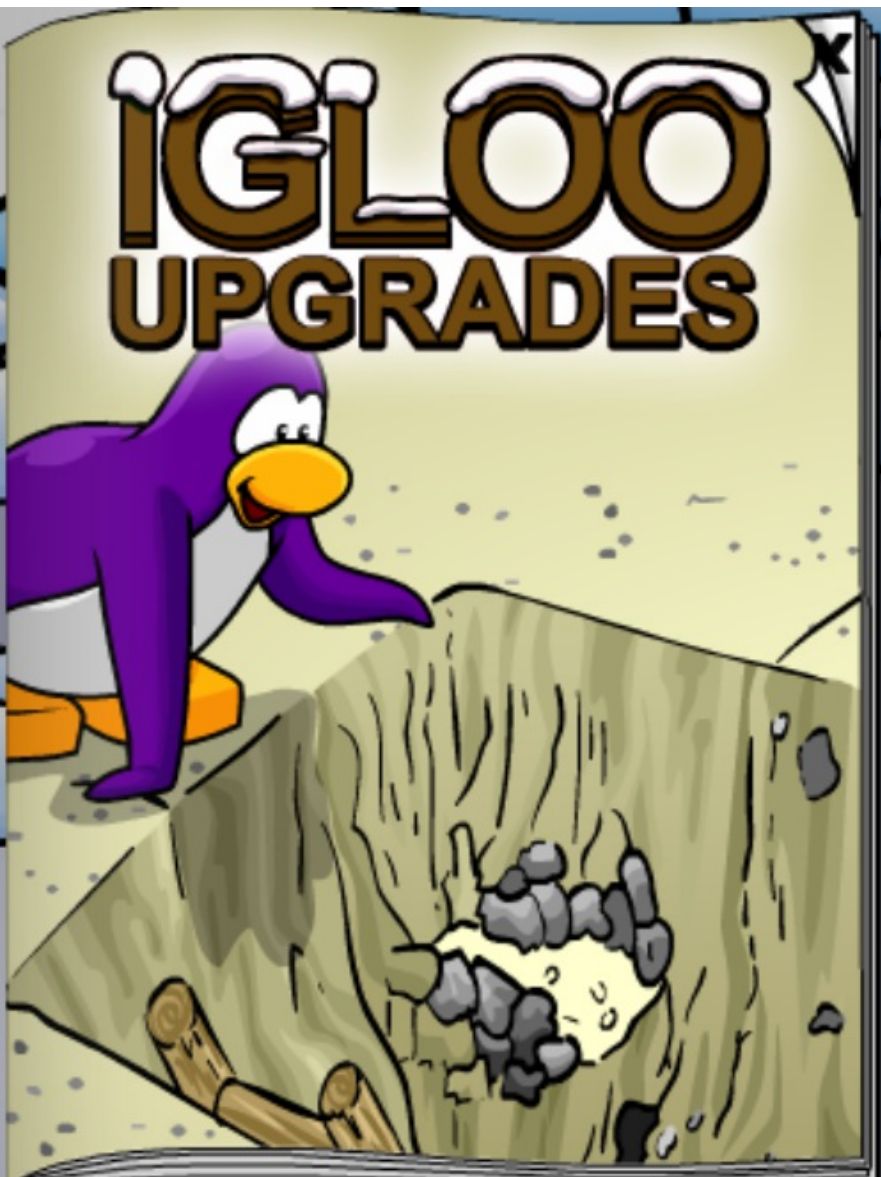

That is it! So far, this next week in CP looks pretty boring 😊 See ya!

# NEW IGLOO UPGRADES & MUSIC!! (DJ3K To Come)

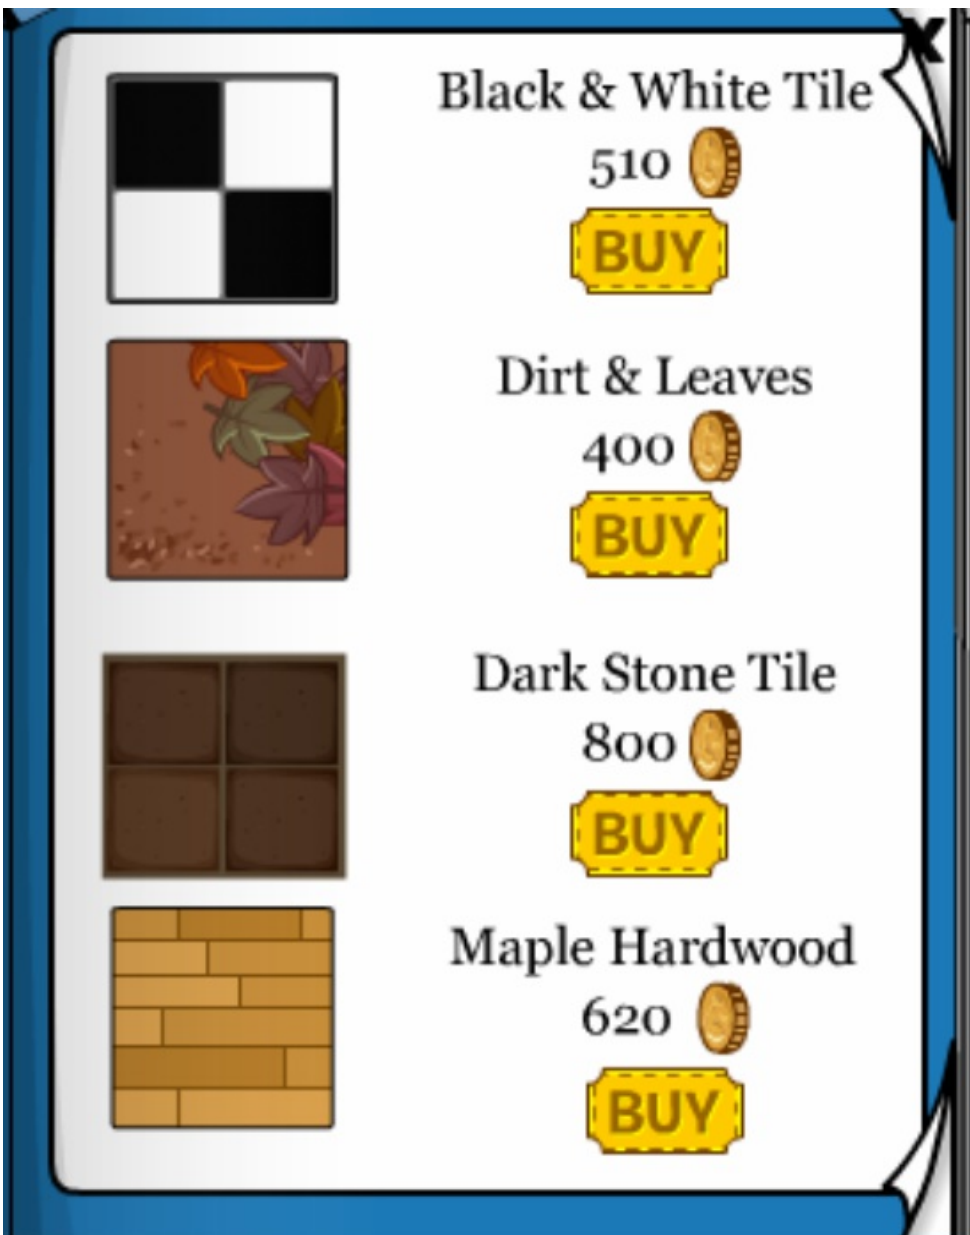

JUNE 26, 2009

by [381nascarpingpong37](#)

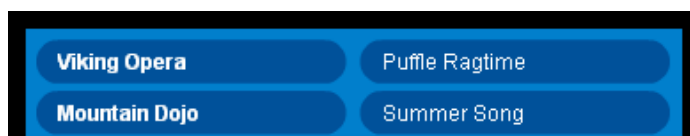

Hey, 381nascar here! There was a lot of new stuff today. To start off, there was a new Igloo Upgrades catalog! Here is the cover:

I was a bit mad because there is no new igloo. Just new flooring!

There is also new music to play in your igloo;

That is it! I will be sure to post DJ3K upgrades as soon as they come out! (the game wasn't upgraded yet for some reason) See ya!
